Oceanids - Sounding Board - Thursday, February 2, 12 pm

Featured Speaker: Dalouge Smith
President and CEO of the San Diego Youth Symphony
“Developing Success through Music for All”

Like language, music is fundamental to culture and being human. Yet for too long, our schools have not provided every child with the chance to develop musically. San Diego Youth Symphony is reversing that trend and has instigated the largest and fastest restoration of music education in the country in partnership with Chula Vista Elementary District School. Learn why this is important for society and how it happened.

Dalouge Smith is in his 10th season leading San Diego Youth Symphony and Conservatory (SDYS). He has overseen development of SDYS' vision to “make music education accessible and affordable for all students.” Mr. Smith has served as a national leader in the U.S. El Sistema movement since co-founding the National El Sistema Network.

Sounding Board is a series of seven lectures during the academic year, the first Thursday at 12 noon, sponsored by UC San Diego Oceanids and the UC San Diego Faculty Club. Oceanids, faculty and friends meet at the UCSD Faculty Club in the Lounge to eat lunch and listen to fascinating speakers. Purchase of lunch is required. A parking permit can be obtained at the front desk, based on availability. You do not need to RSVP. **For more info, contact Jan Ouren, jouren@san.rr.com.**
