Parking Concerns As We Move Into Summer

Beginning on June 18, 2018, parking lots 207 and 208, the two large lots west of the Faculty Club, will be under construction for a new college. That means that there will be 900+ fewer “A” and “B” parking spaces on our side of campus for the next two years.

Lot 206 in front of the Faculty Club, will be under construction for a short time to make some room for a new walking path along the west of the parking lot. The far west row of “A” spots will be marked off while the walking path is being constructed. We will not lose any access to our Faculty Club marked parking spaces.

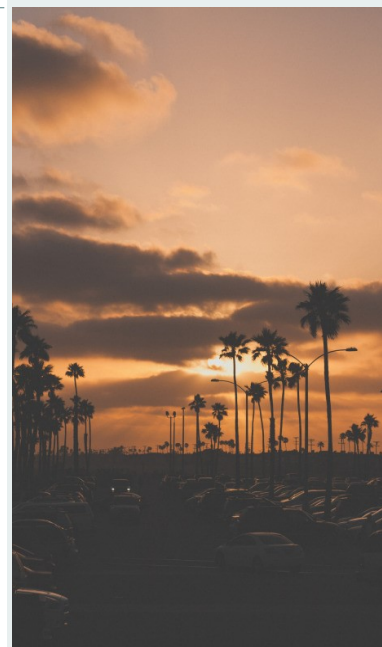

With the overall reduction in parking spaces for the entire University, we do anticipate it being more difficult for everyone to find a parking space. The Front Desk staff at the Faculty Club will be firmly enforcing our parking policy. The Faculty Club marked parking spots are strictly for Members and Guests who are coming to the Lunch Buffet, for a scheduled meeting at the club, or for Happy Hour at Cecil’s.

We thank you for understanding our need to protect the access to the club that all members deserve.

HANDLEY CELLARS AND WILLAKENZIE ESTATES ARE THE
FEATURED WINES FOR THE MONTH OF JUNE

Handley Cellars is a small family-owned winery in California's Mendocino County. We are featuring their 2015 Blanc de Blancs sparkling wine. Made with 100% Chardonnay grapes this wine is new world style dry, yet fresh and fruit forward. It is light and crisp on the palate with bright citrus and tropical fruit notes effusing from the fine and persistent bubbles. It finishes with more traditional notes of yeasty brioche or hints of fresh baked dinner rolls.

Willakenzie Estate Winery is the longtime dream of co-founder Bernard Lacroute. After a successful career in high tech, Bernard decided to return to his Burgundian roots and grow Pinot Noir. In June we are featuring Willakenzie Estate's 2015 Pierre Leon Pinot Noir. This wine offers a savory array of dark spices, coffee, mocha, and black fruits. Those flavors carry through on a palate that is structurally precise with refined tannins, great balance and lingering persistence.

Please join us in Cecil's where you can sample this month's wines. Three ounce samples of both wines are \$15, a full glass of either wine is \$19, or a bottle of either wine is \$75. See you at Cecil's on Wednes-
