## Oceanids - Sounding Board—Thursday, November 5, 2015

Rob Knight, PhD, Professor, Department of Pediatrics, School of Medicine, and Computer Science and Engineering, UC San Diego

Title: "How the gut microbiome changes in development and disease"

"Using scatological research methods that might repel the squeamish, microbial researcher Rob Knight uncovers the secret ecosystem (or "microbiome") of microbes that inhabit our bodies -- and the bodies of every creature on earth. In the process, he's discovered a complex internal ecology that affects everything from weight loss to our susceptibility to disease. As he said to *Nature* in 2012, "What motivates me, from a pragmatic standpoint, is how understanding the microbial world might help us improve human and environmental health." Knight's recent projects include the American Gut, an attempt to map the unique microbiome of the United States using open-access data mining tools and citizen-scientists to discover how lifestyle and diet affect our internal flora and fauna, and our overall health." –TED

**11:30 am—Lunch and 12:00 noon lecture. Lunch is \$14.00 for guests and \$10.00 for Faculty Club members (purchase required). Coffee and iced tea are provided in the meeting room. UC San Diego's Division of Social Sciences is a diverse collection of departments, programs and research units that focus on some of the most pressing and important issues of our time. The division does work that matters today, and in the future.

"Socially Speaking" is the division's quarterly speaker series featuring faculty, alumni, and professional experts on an array of trending topics. Speakers will share their knowledge and engage the audience in a Q&A dialogue on the topic area. Each event includes a wine and appetizer reception.

**Date:** 11/17/2015

**Time:** 5:00 PM to 7:00 PM

Join us for the first "Socially Speaking" event of the year - an intriguing conversation with Urban Studies and Planning faculty and regional experts on the future of water supply, the Qualcomm Stadium site, and transportation in San Diego. The panel will address what they think are the big solutions for San Diego over the next 10 years.

For reservations contact Jenelle Dean at [jmdean@ucsd.edu](mailto:jmdean@ucsd.edu)  
\$25 for Alumni (Must be logged into your alumni account to register)

### Founders Celebration Festivities Kick Off Nov. 12

On Nov. 12-13, join us at Founders Celebration events as we celebrate the ways in which our scholarship, community and commitment have created a force for positive change in our region, our nation and our world. The entire campus community is invited to join in the festivities and commemorate the day UC San Diego was founded in 1960.

#### Founders Symposium: 5-7 p.m., Thursday, Nov. 12, Price Center East Ballroom

Six UC San Diego faculty experts will share their cutting-edge findings in brief TED-style talks.

Before the Symposium, talk to undergraduate social innovators at the student showcase from 4-4:45 p.m. at the Cross-Cultural Center.

#### Presentation of the Revelle Medals: 11:30 a.m.-12:30 p.m., Friday, Nov. 13, Price Center East Ballroom

Prior to Founders Day Festival, all are invited to celebrate with this year's Revelle Medalists at a special ceremony. Three faculty emeriti, Cecil Lytle, Hugh "Bud" Mehan and Susan Shirk, will be presented with the Revelle Medal.

#### Founders Day Festival, Noon-2 p.m., Friday, Nov. 13, Town Square

On Friday afternoon, Town Square will be transformed into a bustling carnival featuring a kaleidoscope of tasty treats, student entertainment and games.
