Welcome New Catering Staff

With the growing success of our catering division, along with the expansion, we have split the catering department into two distinct areas. Dixie Lineberger will concentrate on coordinating all University department catered events while Natalie Svistoonoff will take care of Special Events including weddings, bar/bat mitzvahs, birthday and anniversary parties, fundraisers and many of the milestone events celebrated by our members and the greater San Diego community.

Most members will recognize Dixie as she joined our staff last fall as our Catering Assistant. She has done a wonderful job and we are happy to promote her into this position. As a former business owner and entrepreneur, Dixie brings a wealth of experience in all aspects of business, including marketing, customer relations and operations management.

Natalie is a graduate of UCSD and has both marketing and catering experience, most recently having held a position at the Del Mar Country Club. As an event coordinator, she was able to help with many of their golf tournaments, weddings and various parties. She has had many years of working in the Food and Beverage Industry and looks forward to being an essential part to scheduling and coordinating any of your private functions.

Merlot Fights Back! Featuring Rex Pickett

Carol and Jeff Chang

Sally Ashburn and Rex Pickett

“UCSD has a special place in my heart.” And with that, future UCSD Visiting Professor Rex Pickett entertained the over 200 members and guests at the wine dinner held February 16th. This was the highest attended wine dinner in the history of the Club and from the looks of it, everyone had a good time (some might even have been considered to be “Sideways”).

The Goodenough Club—Another ACUC Affiliate!

Dear Tom:

We are the only ACUC member in the UK and have been a member for nearly two years now and so I thought it would be helpful to remind you that we are here and very much welcome visiting academics to stay with us whether on research, attending conferences or on holiday with their families. We are becoming popular as a central point in Europe for partners in collaborative projects to meet, work hard and enjoy our close proximity to the centre of London.

I would really appreciate it, if you felt it appropriate, to let your members know how we can support them – be it requiring a student room, a suite or our high quality Club accommodation. I look forward to hearing how the Goodenough Club may be able to help you!

With kind regards, Noelle

Oceanids Sounding Board

Oceanids' Sounding Board speaker for March 1st will be our Chancellor, Marye Anne Fox. Lunch will begin at 11:30 am and she will speak at approximately 12:15 pm in the lounge. Chancellor Fox is the 7th Chancellor at UCSD and the first woman in that capacity. Dr. Fox, who is in her third year as Chancellor is a renowned chemist from the University of Texas in Austin where she served as Vice President for Research. Prior to arriving at UCSD, Dr. Fox was Chancellor at North Carolina State University.

Her talk is titled: "From Roger Revelle's Vision to UCSD's Reality", in which she will discuss many interesting details of UCSD's history.

Our April 5th Sounding Board speaker will be Dr. David Preskill, Chairman of the Board of Planned Parenthood of San Diego and Imperial Counties. We expect a large turnout for both events.
