Oceanids - Sounding Board Thursday, October 6th

Don't miss this always-popular speaker:
Mary Hanson, League of Women Voters
"November 2016 Ballot Propositions"

Don't vote this November until you hear about the pros and cons of the ballot propositions from Mary Hanson, representing the League of Women Voters Speakers' Bureau. Mary will be discussing the propositions on the ballot for the upcoming election. Even though the League often takes positions on ballot propositions and proposed legislation (although not on candidates) the League makes every effort to be impartial and nonpartisan in these pro/con presentations.

Mary is currently on the Board of the local League as treasurer, and has been involved in the League at the local, county and state levels, having served as the San Diego President from 1983-85. Mary is a retired French teacher who has also been active in the San Diego community. During her long tenure at Santana High School she led students six times on trips to France, always an adventure. She received her B.A. in French and Russian from the University of Iowa and her M.A.T. in French and Education from Oberlin College. Mary was on the board of the La Jolla Chamber Music Society for several years and is a longtime member of the Third Thursday book group. She is also active in UCSD Oceanids, having served as president from 2013 to 2015, and currently on the board as corresponding secretary. She is also active in Cafe Français and the two bridge groups.

Sounding Board is a series of seven lectures during the academic year, the first Thursday at 12 noon, sponsored by UC San Diego Oceanids and the UC San Diego Faculty Club. Oceanids, faculty and friends meet at the UCSD Faculty Club in a specially designated room to eat lunch and listen to fascinating speakers. Lunch is \$14.00 for guests and \$10.00 for Faculty Club members (purchase required). Coffee and iced tea are provided in the meeting room. A parking permit can be obtained at the front desk. You can be sure of a lively discussion! You do not need to RSVP. Contact Jan Ouren, jouren@san.rr.com for more information.

Thank you Lilia for your many years of excellent service....

Lilia Huato has been with the Faculty Club since 1999. During that time she has held most every front of the house position and has excelled in the performance of all the challenges that she faced. Members always commented how efficient and helpful Lilia is in her daily interactions and her colleagues and management teammates marvel at the ease in which she juggles the many tasks that she handles.

An exciting career opportunity has presented itself for Lilia and though not so good for the Club it is good news for the university as she will assume a position in the human resources division for HDH.

Please join me in wishing Lilia continued success and the very best in her future endeavors.
